Piers 1 do you respect women?

Andrew 2 absolutely why wouldn't I?

Piers 3 do you think that 18 19 year old women
4 are more attractive than 25 year old women

Andrew 5 I think there's attractive people uh
6 that's that's a loaded question
7 I don't know[-

Piers 8 [well it's not really is it

Andrew 9 I I [can't say-

Piers 10 [you know why I'm asking you

Andrew 11 of course I do but I can't [sit here and say-

Piers 12 [well for the benefit of viewers
13 who don't know why I'm asking you said this
14 in general
15 this is also one of the reasons men find youth attractive
16 you want to blow up the internet
17 I'll block the internet right effing
18 now the reason 18 and 19 year olds are more attractive than 25 year olds is because
19 they've been through less dick
20 people say oh you can't say that but yes I can
21 a 19 year old is more attractive than 26 year old woman
22 and I'll tell you why
23 because that 26 year old has talked to more guys
24 been to the club more times being
25 effed and dumped more times
26 more arguments more mess more for me to clean up
27 that is misogyny

Andrew 28 why

Piers 29 because you are encouraging a mindset about 25 year old women
30 that makes them sound out to be
31 infinitely less desirable than 18 19 year olds

32 and having effectively been
 33 having too much sex to be taken in a more respectful way

Andrew 34 that would- well firstly even if that was the case
 35 that wouldn't be misogyny

Piers 36 but what did you mean by what you said

Andrew 37 that's not misogyny because it's not anti-women
 38 I'm I'm saying that an 18 or a 19 year old woman
 39 would be more [desirable (that's not my)-

Piers 40 [it's pretty anti-25 year old women

Andrew 41 anti-25 year old women we can argue
 42 but not [misogynistic lets-

Piers 43 [well that's misogyny though

Andrew 44 that's no no no it's [not.

Piers 45 [well being anti-any woman at all is misogyny

Andrew 46 not when I'm not when I'm saying
 47 that women are beautiful and attractive at a certain age
 48 and saying that age is [(...)-

Piers 49 [you're saying 18 19 years are more attractive
 50 than [25 year olds.

Andrew 51 [well th- then ageist perhaps but misogynistic
 52 [absolutely not.

Piers 53 [except (...) but you just accepted it was misogyny

Andrew 54 no I didn't you said it was misogyny
 55 I'm telling you no it's not

Piers 56 so you don't think if you're saying
 57 slightly hateful things about a [25 year old-

Andrew 58 [that's not slightly hateful

Piers 59 well it is
 60 you think you you say that to a woman's face if she's 25

Andrew 61 it's not slightly hateful when [you're-

Piers 62 [so you would go up to
 63 a 25 year-old woman and tell her exactly what I've just read out

Andrew 64 why would I walk up to a random 25 [year-old woman and say that?

Piers 65 ['cause you said it in public
 66 on the internet and it's been listened to
 67 and watched by millions and millions of [young impressionable boys.

Andrew 68 [correct, correct
69 there was a large panel
70 there was a conversation [there was hours longs of conversation=

Piers 71 [right.

Andrew 72 =there were feminists attacking men
73 for toxic masculinity and attacking me and saying things
74 and I said things back which we're going to [antagonise them=

Piers 75 [but I think see I'm I-

Andrew 76 =so which you've done yourself b- a bunch of [times Piers.

Piers 77 [I think a lot of allegations
78 of toxic masculinity are not toxic=

Andrew 79 =correct=

Piers 80 =I do think that kind of uh sentence
81 that y-I just read out that that paragraph
82 is actually toxic
83 if you genuinely mean that
84 and you say you wouldn't say it to a woman's face
85 but you said it in public about women of that age
86 I do think that's misogynist
87 and I think you probably do too

Andrew 88 I don't think it's misogynistic
89 I understand why it can be insulting [to say it to-

Piers 90 [you wouldn't say it to a woman's face

Andrew 91 I'd s- well it depends
92 you- you're making out like I'm walking around the street
93 going up to random [25 year-olds-

Piers 94 [well I think (...)
95 you're doing it to tens of millions of people online
96 there's no difference [is there?

Andrew 97 [not at all we're discussing a topic
98 we we're discussing the the ideal age of a man[-

Piers 99 [should
100 should young boys right in their teens
101 are you comfortable that they would have that mindset

Andrew 102 I th[-

Piers 103 [be honest

Andrew 104 I think that young boys in their teens lack life experience
105 they lack nuance

106 and they need to be very very careful what they're digesting online
 107 whether it's my content or anybody else's [I think-

Piers 108 [yeah but you know for a fact
 109 millions of them are digesting exactly what you're saying

Andrew 110 completely the entire internet to a degree
 111 I think any any subject you can find
 112 there's going to be a whole [heap of content-

Piers 113 [(yeah) I c- I come back to the
 114 Joe Rogan thing Andrew is that
 115 a lot of what you say I agree with=

Andrew 116 =yeah=

Piers 117 =right I do genuinely I've read a lot I've (written) a lot of stuff you said
 118 a lot of the stuff you talk about I think
 119 yeah he's got a good point right
 120 (I think) we agree about a lot of things
 121 but when I read that kind of thing and I'm like-
 122 I just- how much of that is you
 123 how much of that is some act
 124 do you regret saying stuff like this[=

Andrew 125 [I don't-

Piers 126 =and actually do you see it as weakness
 127 to admit you shouldn't have said something like that

Andrew 128 no I don't live with regret
 129 I think what's happened is that like I said
 130 long format content arguments with feminists
 131 arguments with the toxic masculine crowd
 132 arguments with the left
 133 and they're going to take a small clip
 134 small sentence from hours
 135 and they're going to try and paint me as a [(villain).

Piers 136 [but I'm not left or right

Andrew 137 I don't know what you are Piers

Piers 138 exactly that's my point
 139 [no but- that's my point.

Andrew 140 [and- and I understand
 141 and and you're doing exactly as I knew would happen on this interview which is because
 142 you're a busy man
 143 you're not gonna watch hours and hours and hours of video

Piers 144 actually I haven't watched hours and hours of video
 145 and I am going to come to the stuff where I agree with you

146 and I'm going to come to the stuff about your censorship
 147 [which I have issues with so=
 Andrew 148 [sure.
 Piers 149 =this is y'know It's a long interview right=
 Andrew 150 =sure=
 Piers 151 =I just thought off the top you said to me
 152 and you were quite bold about it
 153 well go on then let's go through this-
 Andrew 154 and you and you should keep going
 155 I will sit here and stand by what I said
 156 I believe that [man-
 Piers 157 [on that
 158 on that I just read to you then=
 Andrew 159 =yeah=
 Piers 160 =do you wish you hadn't said that?
 Andrew 161 I understand how it's been misconstrued
 162 I understand how it's been weaponized against me
 163 do I regret it because it's been weaponized and used against me
 164 well that's slightly annoying
 165 did I[=
 Piers 166 [that's not why I want you to-
 Andrew 167 = did- did I at the time mean what I said
 168 and in the context of the conversation
 169 which obviously you you're not familiar with
 170 and the people at home are not familiar with
 171 no I meant what I said
 Piers 172 the 25 year old women they've just
 173 talked to more guys
 174 been to the club more times
 175 been effed and dumped more times
 176 more arguments more mess more for me to clean up
 Andrew 177 well there's a whole bunch-
 178 there's a whole bunch of context and conversation around that
 179 that's been missed and [encourage people-
 Piers 180 [I don't think I'm missing much context
 181 [it's pretty-
 Andrew 182 [well I I encourage people who are interested to go watch it
 Piers 183 right but I mean I've just read out three sentences

184 on the bounce there
 185 I don't think there's any context I'm missing
 186 I mean you're-
 187 you've made it pretty clear what you think about the difference
 188 between 18 and 19 year old women
 189 [and 26 year-olds.

Andrew 190 [I wasn't talking about myself even
 191 I was explaining I was talking with a Muslim guy who was on the panel
 192 and he was explaining how youth is very valid
 193 valued in most parts of the world=

Piers 194 =mm=

Andrew 195 =and why virginity is valued in most parts of the world
 196 and the feminists were arguing against it
 197 and I was sitting there actually very much like you
 198 a mediator between the two explaining why
 199 in most of the world still today
 200 perhaps not in the Western World
 201 virginity is coveted youth is coveted in most of the world
 202 and per and throughout all of human history
 203 and I was sitting there making the point explaining why
 204 in certain parts of the world they think how they do
 205 [even though it=

Piers 206 [well in large parts of the world-

Andrew 207 =even though it's very different to the Western World
 208 so I was making a point mediating between two groups
 209 very similar to yourself
 210 the conversation has been misunderstood
 211 they've taken this clip of it and it's been weaponized and used against me
 212 I understand that is because I'm now
 213 the most famous Googled person on the planet
 214 it's inconvenient sure
 215 but I'm definitely not a danger to women in any regard
 216 I date women 25 26 27 years old all the time
 217 none of them are offended by the things [I say.

Piers 218 [I don't think
 219 you're a danger to women [I think that- I think the danger=

Andrew 220 [well of course not.

Piers 221 =if it if it concerns you
 222 the danger is the influence you have on young men
 223 to have this kind of mindset about women
 224 and that's really what I'm trying to get to what you really believe
 225 and how much you've just shot off

226 because you think it's like entertaining
 227 and you haven't really given it much thought
 228 and whether now you're a bit older
 229 and you've had all the fallout
 230 whether part of you is thinking actually if I hadn't-
 231 as Joe Rogan says
 232 if you hadn't said stuff like this
 233 you'd probably still be on these platforms
 234 you'd be massively more popular
 235 massively more famous
 236 massively richer
 237 so I'm really just trying to get to
 238 on the blatantly misogynist stuff[=
 Andrew 239 [yeah.
 Piers 240 =do you just wish you hadn't said it
 Andrew 241 with great power comes great responsibility=
 Piers 242 =mm=
 Andrew 243 =it was certainly said before the great power came
 244 it's inconvenient to a degree
 245 however like I said at the time
 246 with the context of the conversation
 247 I know that I'm not saying things
 248 which I believe to be detrimental to the world however
 249 they've been misconstrued and they've been misunderstood
 Piers 250 y- b- if a 25 year old woman was watching this
 251 would you say I'm sorry for saying that
 Andrew 252 oh I wouldn't want anyone to be offended by anything I say
 253 but I say [things- but I say things that offend=
 Piers 254 [if- but (...)-
 Andrew 255 =and this is the thing that's interesting Piers
 256 please let me finish[-
 Piers 257 [no but y- you
 258 again you're [behaving like a politician=
 Andrew 259 [please-
 Piers 260 =but hang on you can say I'm interrupting
 261 but if[-
 Andrew 262 [you do
 Piers 263 but you're answering a different question to the one I asked you
 264 so as an interviewer you're [b- you're behaving-

Andrew 265 [sure okay sure ask- sure okay lis- sure ask-

Piers 266 okay you accept that
267 let's [accept we both our-

Andrew 268 [no problem no problem no problem

Piers 269 okay so again my point is simply
270 if a 26 year old woman is watching this
271 and has heard those comments=

Andrew 272 =yeah=

Piers 273 =would you just say to her
274 I- look I'm sorry I shouldn't have said that

Andrew 275 no I won't
276 I will say that I am sorry that that offends you
277 however there's a large contingent of the [world and th-

Piers 278 [that doesn't mean
279 you're sorry

Andrew 280 no I'm not sorry that's the point I'm making
281 I'm sorry if that offends you
282 however there's a large contingent of the world that believed that
283 and I was mediating for a conversation

Piers 284 parts of the world that believe that about 26 year old women
285 are parts of the world where women are not allowed out on their own

Andrew 286 that's your- that's a [conversation to have-

Piers 287 [they have to wear full burkas

Andrew 288 well that's a [conversation to have-

Piers 289 [they're not allowed to drive cars

Andrew 290 that's nothing to do with me [(my friend).

Piers 291 [but is that the kind of
292 world for a woman that you [are (...) ?

Andrew 293 [I was mediating a c-
294 I was mediating a [conversation.

Piers 295 [(well) I'm asking you what you think

Andrew 296 I I don't live in a country where that happens

Piers 297 you're using that as the excuse for why
298 you're not sorry for saying it[=

Andrew 299 [it's not an excuse

Piers 300 =is that there are parts of the world but this is fine[=

Andrew 301 [my friend-

Piers 302 =so my question to you is what do you think is fine?

Andrew 303 I don't think it's fine I live in a world where[-

Piers 304 [you don't think it's fine

Andrew 305 my- the reason [I'm-

Piers 306 [this isn't that hard Andrew
 307 you can simply say Piers you know what
 308 with the benefit of hindsight
 309 I wish I hadn't said it like that
 310 and if a 26 year old woman's watching
 311 I'm sorry I said that
 312 because that actually is blatantly misogynist
 313 and even though that's the view held by other parts of the world
 314 it's not a view I share
 315 now I would respect you more if you said that=

Andrew 316 =yeah=

Piers 317 =than if you try and say
 318 well it's said in other parts of the world
 319 so I'm not sorry

Andrew 320 I think [you y-

Piers 321 [that doesn't tell me what you think

Andrew 322 then you need to understand why my content existed in the first place
 323 my content existed because I tried my very hardest
 324 to be an absolute and utter realist
 325 especially with uncomfortable truths=

Piers 326 =hmm=

Andrew 327 I was pointing out that very [uncomfortable tr-

Piers 328 [is that a truth then

Andrew 329 it's an uncomfortable truth in many parts of the world
 330 it's not a truth that I'm happy about
 331 it's not a truth [that I've created-

Piers 332 [well hang on hang on no hang on
 333 you're doing it again
 334 what do you mean that's a truth in other parts of the world
 335 that's what you said
 336 it's not you're not talking about another part of the world
 337 you're talking about what you believe is the difference
 338 between 18 and 19 year olds and 26 year olds

Andrew 339 I was talking about[-

Piers 340 [it's your belief

Andrew 341 I was talking about what the people on the panel believe the difference is

Piers 342 so what do you think the difference is

Andrew 343 I think the difference is age

Piers 344 what's the difference then

Andrew 345 well that a 26 year old's older than a 19 year old

Piers 346 and so you stand by what you said
 347 about talking to the guys
 348 been to the club a more times
 349 been effed and dumped more times[=

Andrew 350 [well I-

Piers 351 =do you believe that or not

Andrew 352 no there's plenty of 26 year old women
 353 who have been with one man or
 354 or are virgins of [course.

Piers 355 [right
 356 so you don't believe that

Andrew 357 I don't think that the age
 358 is the only thing that's going to decipher
 359 well how many men or [women you've slept with.

Piers 360 [right so if you don't actually
 361 believe what you said just say sorry

Andrew 362 it's not about not believing what I'm saying
 363 it's about you understanding that there's
 364 large conversations going on [(in this context).

Piers 365 [I'm just reading back
 366 stuff you've said[=

Andrew 367 [I know you are

Piers 368 =and I'm asking you do you believe it

Andrew 369 I believe that it's more likely
 370 a 26 year olds had more partners than a 19 year old

Piers 371 you don't know that

Andrew 372 I don't know that you're right

Piers 373 in fact there could be absolutely no evidence for that whatsoever

Andrew 374 completely agree

Piers 375 so why say it

376 why stigmatize all 26 year old women

Andrew 377 we're- it's not that- we're repeating ourselves here [Piers.

Piers 378 [we're not really

379 I'm just trying to get to what you actually believe

Andrew 380 I believe that men find youth attractive in general

381 I believe that in the context of the [conversation-

Piers 382 [25 year-old women aren't old

Andrew 383 I agree with you they're not especially they're I'm I'm old

384 you're you know I'm a lot older than that

Piers 385 hmm

Andrew 386 the point I was making was part of mediating a panel

387 a conversation between feminists

388 and some Muslim guys[=

Piers 389 [I get it I get it but you weren't-

Andrew 390 =okay good so you understand why I said the sentence

Piers 391 but as far as I know you weren't espousing

392 what a Muslim man might think

393 you were espousing what you think

Andrew 394 I was espousing what the people on the panel believed

Piers 395 but you were saying what you think

Andrew 396 is is I I I feel like you're trying to pin me down and[-

Piers 397 [if it's not

398 what you believe just say I don't believe that

Andrew 399 what part wouldn't I believe

Piers 400 well you tell me which part you don't believe

401 there's the sentence

402 which part would you now say you don't believe

Andrew 403 I believe that 25 year old women perhaps have had

404 because they've been alive longer maybe have had more partners

405 but I don't believe that makes them a bad person

Piers 406 right but you understand that the way you phrased it

407 makes every 25 year old woman[=

Andrew 408 [I I understand-

Piers 409 =feel a bad person

Andrew 410 I no I don't think so I [(...)-

Piers 411 [of course you do

412 not stupid An- come on

Andrew 413 Piers

Piers 414 Andrew you're not stupid you know
415 what that sounds like to any 25 26 year old woman

Andrew 416 completely and [you're-

Piers 417 [right so you have maligned
418 every 25 26 year old woman with that statement
419 and I'm simply asking you to all those who are not
420 of the type of women that you've described it
421 are you sorry

Andrew 422 I don't want anybody to be offended by anything I say
423 I want to be a positive force in the world
424 I don't want anybody to hear what I say
425 and it make them feel bad about themselves[=

Piers 426 [mm.

Andrew 427 =I want all people to live righteous and good
428 whether they're male or female
429 and anybody who's [offe-

Piers 430 [do you lead a righteous life?

Conventions:

- (I don't) - Brackets mark speech that is not clearly intelligible...
- (...) - ...or intelligible at all
- [- Indicates the start of an 'overlap segment'

Overlap segments come in pairs – an 'interrupted' and an 'interruption' segment:

- . ! ? - Any of these 'stops' at the end of an 'interrupted' segment indicate that the speaker seems to complete their speech unit before they are interrupted. At the end of an 'interruption' segment, they indicate that the speaker seems to provide a minimal response rather than intending to interrupt.
- - A hyphen indicates that a speaker seems to stop before their speech unit is complete. At the end of an overlap segment this indicates that a speaker was either 'successfully interrupted' or produced an 'unsuccessful interruption'
- = - An equals sign links two lines together, usually from one speaker to themselves again two lines later to show that they continue to speak through an interruption. Equals signs are also used to mark minimal responses which don't overlap.

Any punctuation found outside of an overlap segment is used only to aid legibility and as such, is not subject to strict customs.

Line breaks loosely reflect speech units, but this guideline is often violated to prioritise the alignment of simultaneous speech.
